

Schuster Named Assistant Dean of Operations

The University of Illinois College of Medicine Rockford is pleased to announce the promotion of Carol Schuster, RHIA, MSM, CHPS, to Assistant Dean of Operations. In this role, she will provide general administrative oversight and support to ensure smooth and efficient college operations as well as high quality, cost effective clinical operations. She will also lead special projects and assist in strategy development regarding the future direction and performance of the college.

Formerly Director of Compliance and Risk Management, Schuster has been instrumental in the College's strategic planning, oversight of the electronic health record and Patient Centered Medical Home (PCMH) accreditation. In addition to her work at the College, she serves as Board Chair for Freeport Health Network/Freeport Memorial Hospital, and is a Board Member for the United Way of Rock River Valley. She received her bachelor's degree in Health Information Administration from the College of St. Scholastica and an master's degree in Business Management from Troy University.
