UIC HR Policy #313

Employment of relatives is permissible at the University of Illinois at Rockford, subject to compliance with University Statutes, review of appointments and resolution of conflicts. This policy prohibits any influence by a relative including making a referral for employment, transfer, or promotion. Thus, if a current employee recommends their relative for employment, transfer, or promotion, a potential violation of the Policy may occur. If you have a relative that is working within the UIC system, please list their name and department. This documentation is necessary to process your paperwork.

Name _____ Department _____

Please return the application, resume and three (3) signed letters of recommendation to:

Janet Stull Snow
University of Illinois College of Medicine Rockford
